

September 8, 2011

To: Members of the Millcreek Planning Commission,

Subject: Appl. 26044, FCOZ Ordinance Amendments - Summer Resort Uses
and Slope Waivers

At the September 1, 2011 meeting of the East Mill Creek Community Council, the Council reviewed the proposed Foothill and Canyons Overlay Zone (FCOZ) amendment. Spencer Sanders of the County Planning & Development Services presented the update and answered all questions from the Council.

Council questions included: the types of conditional uses under this part, historical background of this section of FCOZ, the effect of language changes in the proposed amendment, a review of the amendment's slope table and associated questions, authority of The County Planning Commission and The Director Of Planning (Director) under the proposed amendment.

By super majority vote EMCCC passed the following motion:

“The East Mill Creek Community Council gives a positive recommendation for the FCOZ update”.
